UPDATES

This procedure will be updated as needed at the discretion of the Director.

UNIFORM ALLOCATION

The number of uniforms purchased and maintained by full-time employees of DCEMS is clearly defined in the Labor Agreement between the Delaware County Board of Commissioners and the IAEP Local R7-11. Employees may purchase additional uniforms on their own, but they must be the same brand and embroidery/design as that purchased by the County.

Lieutenants, the Training Officer, Captains, the Assistant Chief and the Chief will be issued a badge, a nameplate and one set of appropriate collar brass. These items are to be worn as specified above.
The following will be the designated and assigned uniforms for part-time employees of DCEMS. Items will not be embroidered until the employee completes their probationary period. All of the following will be purchased by Delaware County:

- Two (2) navy blue fatigue uniform shirts
- Two (2) dark blue uniform pants
- One (1) navy blue crewneck sweatshirt.
- Part-time employees may purchase additional uniform items on their own, but they meet the specifications as those uniforms that are purchased by the County.

Uniforms will be replaced only on an as-needed basis. Employees receiving new uniforms must be prepared to return the worn uniforms in order to receive replacements, if so asked by the Uniform Officer. Employees should not expect to get all new uniforms every year, but as needed for replacement. All uniform requests must be submitted to the Uniform Officer no later than November 1st to be considered for that calendar year.

Any employees who terminate their employment with the Department shall be required to return to the County all uniform items. The employee’s final paycheck will be held by the Emergency Services Office Manager until all uniform items are returned.
